## **INFORMATION**

**LOCATION**—Our nursery is located in Cheshire, Conn., on the College Highway, twelve miles north of New Haven. Good roads from New Haven, Waterbury, Meriden and Wallingford enable you to motor from any of these cities.

All prices quoted in this Catalog are F. O. B. Cheshire.

Our nursery stock has been inspected by the State Nursery Inspectors. A copy of the Inspection Certificate accompanies all shipments.

Evergreens of the ornamental sizes are dug with a ball of earth and this ball is covered with special burlap which may be left on the trees when they are planted.

If you live within a short distance of the nursery, an order of reasonable size will be delivered to you by truck without charge. However, owing to the requirements of the Office of Defense Transportation, our trucks must be loaded to capacity for each delivery trip. Therefore we cannot deliver at any specified time but will do so as soon as we have a full load going your way.

**Prices are subject to change without notice.**
